

14th December 2016

Dear Parents/Carers

Your son/daughter is currently studying their GCSE science course. We strongly recommend purchasing revision guides, appropriate to the course they are studying, to help prepare for their final examinations and end of topic tests. CGP produce revision guides and workbooks for the Edexcel course we are following and have been well received by students in the past. We have been able to secure a reduced price if guides are purchased through the school.

Prices are as follows:

Revision Guides (biology, physics and chemistry) £3 each
 Workbooks (biology, physics and chemistry) £3 each
 Answer booklets (biology, physics and chemistry) £1 each

Should you wish to take advantage of this offer please complete the slip below and return, along with payment, to the office of Ms Morgan. If we have books in stock they will be given immediately. If we have run out due to high demand they will be ordered and normally arrive within one week.

If you have any queries or concerns, please do not hesitate to contact me. Thank you for your continued support.

Yours faithfully

Mr Davidson
 Head of Science

GCSE Science Revision Guides 2016/17

Name of student:

Science class:

Physics	<input type="checkbox"/> Revision Guide(£3)	<input type="checkbox"/> Workbook (£3)	<input type="checkbox"/> Answers (£1)
