based learning

Learn more

UTC's have been set up by universities
alongside industry partners to help young
people prepare for the world of work.

The happiest school in County Durham

Ofsted Parent View, 2025

DESTINATION SUCCESS

The UTC was ranked 7th in the country out of 2300 Post-16 providers for apprenticeship starts from L3 (latest DfE performance tables).

NURTURE ASPIRATIONS

Students develop their core skills and build confidence to become career and life ready

“Pupils value being **treated as adults** and
rise to this responsibility”

Ofsted, 2024

Sixth Form
